Index to Wallaces' Farmer and Iowa Homestead

Volume 68 JANUARY TO DECEMBER, 1943, INCLUSIVE Numbers 1 to 24

General

AAA appropriations are subsidies, 567
be dropped, should, 657
changes afect war work, how will, 273
checks are coming, 428
committee work is cut, if, 273
committees getting assignments to allot tractor gas rations, 701
election dates, 705
funds, congress slashing, 273
gag rule caused trouble, 437
Iowa Farmers Union for, 596
kill or keep, 678
men allot gas, 784
offices issue checks for cream and milk, 669
officials, farmers will elect, 705
officials, voters re-elect most, 774
payments set for next year, 664
plans for 1943, 37
program, farmers' answer to, 165
stress war crops in 1943, 15
township and county elections, 746
Union backs, hits inflation, 596
we need, 165
Abortion, boar may spread, 264
in sows is incurable, 136
Acreages, county, set, 774
Across the counter, 31
Agreement or just offer, 26
Agricultural production for 1943, 453
Air, fresh, needed in poultry house, 189
Alcohol from wheat, 56
wheat used for, 545
Alfalfa for seed, when to cut, 415
green, leafy, valuable in hog and chicken rations, 712
grind, for hogs, 711
land needs rotating too, 488
meal cuts feed costs, 345
sow, after threshing time, 404
will provide hay, pasture, silage or ground feed, 404
Allotment also, can work and get, 631
Ammonia for removal of green spots on copper tubes, 74
Anemia in pigs, sod for preventing, 245
Anstey, Lloyd, passes, 56
Anti-freeze from car or tractor, save, 189
warns against harmful, 667
Apples, wormy, in poorly kept orchard, 673
Armbrecht, Hugo, gets citation, 136
Army, land, governor asks for, 359
Assess each machine, 50
Bang's disease, how it is spread, 245
Bankhead veto, farm views on (box), 253
Barbed wire cuts, how to prevent, 672
Barley, scabby, animals not hurt by, 434
scabby, should not be fed to hogs or horses, 434
Basement dry, suggestions for keeping, 572
Battery, turn-in for fencing, no, 251
Bean meal coming from south, 49
sales readjusted, early, 49
Beans for seed, should fit locality, 672
Bearings, worn, probable causes of, 142
Bed hog house, let hogs help, 745
Bedding, good, for stock cars in cold weather, 775
in hog house, change often, 712
more, for hogs and cattle, 480
Beef and pork storage supplies indicate preparedness, 567
good, with lots of rough feed, 611
Beheader for chickens (diagram), 531
Belgian, champion, sold, 293
Belts, drive, tractor and feed grinder, adjust correctly, 142
Bill cripples farm program, 280
Binder bull-wheel slips, probable reasons if, 389
canvases, proper treatment for, 389
reel bolts and nuts should be set with a chisel, 389
Bins, to measure round, 292
Birds for breeding stock, suggestions for selecting, 415
Bites hand that helps, 78
Black market, 473
market meat, 193
market, system planned to control, 177
Blackleg, vaccination may prevent, 672
Blindness may be causer by pinkeye, 708
Blue grass as night pasture for steers, 222
Boar's tusks should be nipped, 40
Boars running with herd may be injured, 677
Bolts on cultivator shovels stop slippage, 342
use, for fastening cleats, 536
Bombed, shot at, rationed, 524
Bond drive, way to help, 519
Bonds, buy, not land, 401
for depreciation, 161
what farmer can do with money put aside for, 513
Books and bulletins, 166, 202, 234, 380, 572, 646, 679, 787
Boom, land, appraising farm checks, 663
land, stop, 561
land, suggestions for stopping, 735
Booms, farm land, strong bill against, 765
land, solutions for, 545
Borer control program effective, suggestions for making, 109
flies at night, 433
racing across Iowa, 449
Borers, best protection against flat-headed apple tree, 277
Borrowers, farm, seven millions to, 408
Bots cut farm horse power, 65
Bred sows, ten ear positions to mark, 673
Breed sows, when to, 277
Breeding and delivery time for livestock, 277
stock for poultry, suggestions for selecting, 415
Brickbats remove rusty spots, etc., 308
Britain, pay more to farmer in, 623
Brome grass may be sowed with clover, 489
grass seed, origin of, for various localities, 712
Bruises may cause mastitis, 246
stock, costly, 189
take meat from table, 711
Brown to succeed Oldsen, 447
Bugs working on grain, indications of, 40
Bull, gold watch, 528
wheel slips, binder, probable reasons if, 389
Bulls, eight, kept for 3,400 cows, 706
for beef herds, get big, 398
for service, age of, 245
necessary, are, 706
Butcher for home use, you can, 177
Butchering hog, how to hang when, 74
hogs, suggestions for, 40
Butter be put on different ration ticket, ask that, 746
continually gobbled up, 453
lend-lease sent to our allies, 663
production down in nation, 545
stamps, 703
Butterfat less if cows nurse calves for a month, 712
tax considered, 222
Buy or rent, 754
Calves, bucket, may be overfed, 384
cause of accident, 92
Calving time, keep hogs away from cows during, 358
Canned foods, how to store, 358
Casablanca, so we're here in, 479
Cattle and sheep still coming, 151
fat, grand champion for, 746
feed, light, 507
feed more, 36
feed 23, per cent, 605
feeding, amount of corn for, 629
for feeding, when to buy, 775
movement is down, sheep up, 436
price ranges for Chicago, 671
prices, aim to stabilize, 47
prices be allowed to rise, urge that, 545
prices, fix, 671
shipping, grain rations for, 216
should be fed roughage before pasturing, 245
stocker and feeder, more than in, 287
strange, suggestions for acquainting, 672
Cave, vines cool fruit, 336
CCC buys wheat for dairy and stock feed, 442
Ceiling action clashes, 36
may be ordered on hogs, 252
price be taken off of beef, urge that, 545
Ceilings, hog, October 4, 550
on all feed grains under consideration by WFA, 738
on used machines, OPA sets, 34
Cement, caked, won't make good concrete, 713
rubber, for repairing leakage in cement tanks, 415
Chains in contact with dust should not be oiled, 415
Cheese for war, 127
Chicago fat stock show, 235, 651
Chick feeders per 100 chicks, number of, 189
Chicken beheader (diagram), 531
Chickens being fattened, care for, 466
keep out dandelions, 308
sick, remove from flock immediately, 245
Chicks, baby, chilled, susceptible to pullorum disease, 216
needs of young, 318
Chimney safeguard, 277
Cholera, hog, most fatal of swine diseases, 245
hog, vaccinate for, 342
hog, vaccination cheap insurance against, 480
vaccination, advantages of, 536
what to do when you suspect, 389
Chutes, loading, for cattle, 235
Cloddy spots, harrow, 245
Clods are robbers, 197
Closer for wire gate, effective, 434
Clothing, soiled, attacked by moths, beetles, bugs, etc., 572
Clover heads, red, to determine seed in, 480
heads, when to cut, 480
or alfalfa pasture saves grain and protein feed, 389
or alfalfa stand, alternative if in doubt about, 308
seed is secured, how, 480
seed stands, red, safe practices for cutting, 480
sweet, sow, with brome, 489
seed, sweet, totals down, 595
Coccidiosis infection in cattle, preventive for, 466
Cocklebur sprouts poisonous to livestock, 308
Cockleburs poison cattle, will, 505
when to destroy, 480
Cold Aprils fill bins, 310
Collars, horse, keep clean, 216
Colt club champion, Iowa state 746
Colt's hoofs, suggestions for trimming, 74
Combining, custom, farmers gather to plan methods of stretching, 526
prices voted on, 544
Communistic propaganda, 765
Compost for garden, make a, 580
Concrete mix is too wet, water works to surface if, 712
walls with smooth appearance, to make, 712
Congress urged to get action on 1943 program, 176
Containers, metal, advisable for oily rags or mops, 712
Contest, invasion, prize winners for, 190
junior feeding, 785
Contour planting for potatoes, 216
Contouring assistance available, 434
benefits of, 210
green manuring, rewards for, 15
increased corn yields, 277
Corn acres, how to get most feed from, 534
and oats, mix, for lamb feed, 773
and wheat price increases may wreck litter plans, 168
Argentine, exports prohibited, 577
at a loss, raised, 78
be planted, how thick should, 242
beans up in '44, 631
borer, European, control of, 216
borer, getting ready for, 312
borer in Iowa, progress of, 449
breaks easily, when, 389
bushel of, number of scoopfuls in a, 745
ceiling here, no, 161
ceiling may be raised, 738
ceiling, new, partly due to eastern dairymen, 765
ceiling price, will be paid increase in, 645
ceiling, to raise, 157
ceiling, views on, 33
ceilings rise, administration pledges extra pay if, 416
cobs for poultry house floor covering, 10
cobs, ground, good litter material for poultry house, 629
cobs make good fuel for tank heater, 745
cobs mixed with oats slow horses' eating, 745
cost of acre, 176
cribs, check, for repairs, 524
crop, Iowa's, 453
damaged by flood waters, 304
down, sows can teach pigs how to knock, 536
field, to give weeds a setback in, 277
for feeding cattle, amount of, 629
forty-cent, 761
frost locks water in, 704
frosted ears of, should be sorted out, 629
full feed of, six weeks safer for cattle on, 712
get receipt if you sell, 407
ground ear, add to silage, 338
ground, should not be exposed to weather, 629
hog ratio, Chicago, 567
in spots late and soft, 427
is dry enough, ways of telling when, 629
land produces fiber for rope, 582
limiting, cuts costs, 365
loans in Iowa, 746
may be good time to sell, 765
may help exposed gardens, 277
narrow rows grow better, 242
now farmers sell, 416
on hillsides will wash out, 278
owners watch, wait, 386
pens, round, how to make, 572
pest reaches central Iowa, 433
picker, precautions when using, 629
pickers, mounted, almost as heavy as tractor, 572
planter, examine now, 245
planter, precautions when staking wire for, 277
planting is skilled work, 271
planting, precautions to take when, 277
plenty, farmers await outcome of subsidy fight, 386
plowed once, 250
price ceiling advance, guarantee, 768
price ceiling, help feeders by, 36
price, farm views on (box), 41
price limit, new order on, 105
price, sweet, to be $17, 144
prices increased, 768
prices, Iowa, over ceiling, 545
prices look good now, 33
purchasing limited by Food Administration, 309
root-worm damage, rotate to curb, 50
saved feeding pigs supplemented with protein feed, 480
sealed, will call loans on, 309
shelled, may heat and mold, 277
snapped, will make roof over corn in round pens, 713
soft, proper handling of, 629
stalk disease, symptoms of, 745
stalks left on land conserve moisture, 673
stalks per row, count, 313
stored in alley-way of crib, advantages of, 672
substitute, wheat a, 40
suggestions for hauling, 480
to make a 250-pound hog, amount of, 480
to western cattle, ways of introducing, 673
want dollar, 33
will frost catch, 535
yield, estimating, 533
yield tests for, 108
yields increased by contouring, 277
yields increased by fertilizer, 453
Cotton surplus problem, 765
Cottonseed, soybean, peanut and linseed meal, dealers limited to 15-day supply of, 645
Cow, milk, numbers, going up, 545
numbers, dairy, still increasing, 545
Cows and corn huskers, 20
dairy, higher than during first world war, 701
dry period for, 775
dry, should be fed well, 480
milk, good, pay, 245
profit line at 275 pounds, 669
Crankcase, tractor, when to drain oil from, 142
Crash come, when will next (chart), 711
Cream is up four cents, 669
Creeping Jennie may be smothered by soybeans, 432
Crib room is scarce, alternative if, 572
Crop acreage goals for corn, soybeans and oats, 774
acreage planned for 1944, 663
arrangement for 1943, plan, 109
insurance, bad mistake knocking out, 701
shiftings and incentives, 664
war, goals are higher, 72
Crops, canning, price support program for, 144
incentive payments and loans planned for needed, 72
war, government may have to reduce support prices on, 703
war, prices up on, 254
Crusted spots indicate bugs working, 40
Cull poultry thruout the year, 629
Culling out old hens effective tuberculosis control practice, 480
poultry, good time for, 629
poultry, profitable, 415
Cultivate only to kill weeds, 250
Cultivating, hardest way of, 577
Cultivator, adjustment important in destroying weeds, 333
for tractor, make, 125
on tractor, suggestions for putting, 308
shovels, to set evenly, 342
Curtains for hens' nests reduce cracked and dirty eggs, 712
Curves in corn fields, like, 210
Custom harvesting, 549
rates, 549
Dairy and hog ratios less favorable to feeder, 545
animals, heavy demand for, 248
Cattle Congress, boys and girls take over, 530
farmers, they hope to be, 530
pay, 576
Dairymen in east having feed trouble, 645
Dampness in hog and hen houses, way to prevent, 40
Dandelions kept out by chickens, 308
Daughters, his, prove his worth, 528
Davis new Food Administrator, 204
Dead animals, call rendering works for, 74
Death in peace pursuits, 53
Debt can hogs lift, how much, 729
more, 765
Debts, farmers pay, 263
Deferment, essential farming for granting, 292
Defrost refrigerator according to instructions, 10
Dehorn calves, when to, 277
Depression, war, then, 513
Digestive troubles in horses, causes of, 277
Directions with new machine, read, 245
Dirt work on farm should be done before ground freezes, 672
Disease in hog lot before it appears, fight, 189
prevention, livestock, cheaper than cure, 434
Disk blades, hints for proper care of, 189
Ditcher, homemade, is wanted, 78
Draft rules aid farm labor, 191
Drafts, cold, pigs susceptible to, 712
Drain those wet fields, 144
tile, no permits required to buy, 216
Draining increases production, 245
Dry up cow, stop milking to, 775
Ear-mark each sow, 677
Egg and poultry cooperatives, suggestions from, 545
gathering frequently, advantages of, 572
producers, Iowa, smash records, 524
production continues heavy, 545
production delayed housing old and young birds together, 775
Eggs, beans, fats and meat exported in 1943, 645
best storage place for, 342
cool, keep, 415
cool more rapidly in open container, 434
Iowa sells most ,318
two, out of fifteen, 55
Electric cooperatives, Iowa rural, ask for wiring for farm homes, 580
cooperatives, Iowa rural, plan more safety work, 580
cord, kinks, knots or sharp bends may break wire in, 712
line, precautions when working on an, 10
Elevator, corn, transmission from old car may run, 572
men gather, 77
Enameled surfaces, hints for protecting, 74
Eveners, horse (sketch), 108
Ewes to lamb, length of time for, 629
Exhaust pipe cover for tractor, 10
Explosive items, be careful with, 10
Fair, Clay county, boys and girls take over, 570
no Nebraska state, 469
Fairs, Iowa, 70, will be held, 434
Faith, keeping, 377
Fan, electric, amount of oil for, 342
Farm and home to be broadcast, 77
appropriations, senate will try to restore cuts in, 280
bills took beating, 407
bloc, farmers vs., 297
bloc objects to paying subsidies to stimulate production, 624
Bureau Federation meeting, Iowa, 663
Bureau meeting indicates shift to older policies, 772
Bureau president, new, 735
cash grain, turned to pigs, 229
groups, Iowa, take action, 574
help from Kentucky, 5
labor program, cost of Iowa's emergency, 645
labor puzzle, 128
land now, don't buy, 577
land, to check speculative buying of, 407
machines, more, 114
news briefs, 437, 545, 645, 746
price outlook for 1944, higher, 670
price prospects, 291
prices gain in 1942, 47
prices high, 128
prices, higher, for increasing war crops, 68
product prices, opinions on, 765
products to be exported in 1943, percentage of, 645
program, bill cripples, 280
shop can save some trouble, 150
workers can help kill hogs, 784
Farmer citizen at war, 646
Grain Dealers elect officers, 91
in Britain, pay more to, 623
pay, 407
says, what the, 297
talks to Roosevelt, 736
Farmers can't lose more labor, 404
go to war, 646
will meet goals, 178
Farming after the war, 674
essential for deferment, 292
Farms, hill, can make money, 179
Farrow, how to count time when sows will, 745
Farrowing time, how to feed sow at, 8
Fat, more, less milk, with soybeans, 125
Fattening cattle, good method of, 536
F. D. R. praises F. S. A., 581
Feathers, care of freshly plucked, 572
Feed costs, alfalfa meal cuts, 345
for working horse, 342
from corn acres, how to get most, 534
grain supply none too large, 577
ground, keep covered, 544
needs for livestock, figure, 622
not saved if pasture eaten off short, 536
payment for October, 784
situation indicates each farmer should provide his own, 311
supplies, protein, increasing, 765
trouble, dairymen in east having, 645
used last year, 663
Feeder movement in sharp decrease, 467
stock still comes, 207
Feeders change their play, 611
get some of the answers, 599
junior, beat old cattlemen, 770
per 100 chicks, number of, 189
poultry, amount of feed to put in, 358

poultry, correct position for, 673
range, be bought at liberal prices, urge that, 545
should be bought cheaper, 532
still too high, 687
than in 1942, get more, 287
to market, reason for increased flow of, 567
Feeding cattle, suggestions for, 507
no, for top cattle this year, 611
Feet, horses', trim, 142
Fence climbing dangerous in winter, 745
not on line, 292
snow, around buildings to prevent snow drifts, 713
temporary, hints for building a, 389
Fences hurt by fire, 142
moving, tractor used in, 536
new, should be shown to animals, 672
pasture, should be regularly inspected, 536
wire, may be ruined by tractors, 277
wood, should have ground wire, 342
wrapped with burlap sacks protect tears, 415
Fencing, hog, thru corn fields, 480
no battery turn-in for, 251
wire, keep fire away from, 74
Fertilizer, file orders now for your, 784
helps three ways, 281
increases corn yields, 453
keeps up grain yields, 537
needs should be figured now, 673
phosphate, gives triple returns, 281
profitably used when prices are good, 775
Fertilizers give best results, when, 672
FFA chapters aid war effort, 280
Fields, yellow, are starved, 505
Fire hurts wire fences, 142
prevention important, 713
reduces life of fencing, 74
Fireplaces, damper controlled, more efficient, 40
Fiscal year for farmers, 160
Flax, good, clean, runs almost like water, 389
shrinkage in, 161
Fleece, how to tie a, 245
Flies can cut milk production, 427
Flood difficulties caused by, 394
Flour subsidy to control bread price, 733
Flu in hogs, prevent, with good care, 568
Flue is in good shape, see that, 277
Fodder from hillsides before freezing, haul, 775
Food cost increases accounted for increased living costs, **407**
cost of, 92
costs up, push, 421
drying, for winter, 409
fighting (box), 4
fights, 427
less, unless farmers get help, 404
more, more, more, 61
prices, drive for lower, 300
program draws fire, 68
stamp plan being supported, 437
stamp plan may be revived, 407
subsidies in Britain, using, 435
subsidy plan, workable, 427
they'll fight with, 37
wins battles, 473
Foods, how to store, 358
Foot troubles, horses', caused by mud and manure, 109
Foundations, farm, repair after threshing, 434
Four-H boy, new ribbon for, 136
boys see their part in war, 11
Frost catch corn, will, 535
locks water in corn, 704
Fruit jar seal, to test, 74
F. S. A., F. D. R. praises, 581
Fuel oil barrels, where to place, 245
Fuels, low grade, not successful in some motors, 572
Furrows check soil blowing, 308
Fuses fail, look for trouble if, **278**
Gain cost rises rapidly in "good" corn fed steers, 434
Garden crops, rotate, 189
needs fertile soil, 178
Gardens may be protected by corn, 277
Gas, AAA men allot, 784
Gases out of silo, blower will take, 480
silo, lantern for detecting, 480
Gasoline dangerous in basement, 10
proper storage of, 40
Gate closer, effective wire, 434
Gates save time and effort, 74
squeaking, axle grease for, 40
Gilts, bred, should be kept gaining, 775
for farrowing, good points to watch for in, 673
gentle, save pigs, 708
Girls help, when town, 357
town, on farms, 357
Gloves, double thumb, hazard around machinery, 537
Goals, farmers will meet, 178
Gold medal feeds, Larro name for, 31
Grain dries faster if cut when ripe and well shocked, 390
Grains, feed, go fast, 293
mix, for pigs, 425
Grange hits subsidies and land boom, 620
state, officers of, 620
wants extension split from Bureau, 367
Grass acreages are down, 311
is killed, if, 281
no requirement for crop land in, 15
range for poultry saves feed bills, 415
suggestions for growing, 342
will help with protein, 276
will make good silage, 338
Grazing, too early, damages pasture, 216
Green spots on copper tubes, to remove, 74
Grinding oats better than soaking for pigs, 480
Grubs, cattle, control measures for, 70
cattle, robbing you, are, 70
cattle, will test damage by, 136
Hack-saw blades for various uses, 142
Hamer, O. L., owner of gold watch bull, 528
Harness, repair and keep oiled, 15
Harrowings destroy weeds in corn field, 308
Harvesting, custom, 549
Hay baler, twine tying, 618
bundles upset, procedure if, 358
crops produce more feed than corn or sorghum silage, 536
early-cut, advantage of, 308
fork, watch for falling, 358
ground, for pigs, 226
loading, suggestions for, 358
may be money next winter, 311
oat, suggestions for putting up, 389
one pound, to three pounds of silage for cows, 572
rope, water destructive to, 536
vs. silage in milk cow rations, 775
waits for no man, 329
Haystack, how to measure a, 142
Heat units of wood and coal, 74
Heating elements should not be put in water, 277
two rooms, suggestions for, 572
Heifer mortality, cause of high, 277
Help, green, broke equipment, 78
Hemp industry will fade out after war, 765
plants canceled, four, 147
plants employ 1,000 persons, 582
Hides free of blood and dirt worth more, 480
salt, same day removed, 466
Hired man, will army release, 230
men for farmers, train, 75
Hitch, five-horse (box), 289
Hoffman, Karl, fat cattle grand champion, 746
Hog ceiling, may not need, 487
ceilings October 4, 550
cholera and swine erysipelas may be confused, 415
goals, promise to exceed, 4
houses, renters need, 108
houses with cement floors easily cleaned, 389
men get medals, 774
men to be named, 310
price up, to hold, 704
prices still under attack, 437
